

USED 2015 Mako 18 LTS

\$21,000

Description

The proven and capable MAKO 18 LTS is built to probe skinny inshore waters, but performs just as well out in the bay or on inland lakes. From snook to striper, tarpon to trout, the 18 LTS will get you there so you can get them in the boat. The patented Rapid Planing System transom and MAKO performanc...
